

## Living in Me

(Composed by Shane & Alice Keister)

1.

It's as simple as it can be  
But I know you're a bit confused  
As you stand there wondering what's come over me  
Well, I've become a part  
Of God's great family  
And the love that brought the darkness to light is  
Living in me

*Chorus:*

Living in me, living in me  
The Lord of hope, the Lord of peace is living in me  
Living in me, living in me  
The creator of eternal life is living in me

2.

On the outside I'm the same  
But inside I've been changed  
And the best part of all is He changed me eternally  
From the moment I believed  
His gift of life I received  
And the love that death and hell could not hold is  
Living in me

*Chorus:*

Living in me, etc.

*Chorus:*

Living in me, living in me  
The Lord of hope, the Lord of peace is living in me  
Living in me, He's living in me  
The creator of eternal love

(The creator of eternal life)

The Lord of hope and peace  
Is living in me  
Living...Living in me

## Different World

(Composed by Garry S. Paxton)

1.

If you think my head's in a different world  
Then brother you're right  
And if you think my mind's in another dimension  
Then brother you're right  
I'm in the world, not of it  
Heaven is my home and I know I'm gonna love it  
If you think my head's in a different world  
Then brother you're right

2.

If you think my treasures are in this world  
Then brother you're wrong  
And if you think I care about earthly measure  
Then brother you're wrong  
Oh, I may not have a kingdom  
But I'll wear a crown, Jesus promised me one  
If you think I care about a different world  
Then brother you're right

Bridge.

Satan won't be there to bother me day and night  
Conflicts will be banished from our sight  
Jesus will be teaching the new Paul and Luke and John  
We won't even know that word called time

3.

If you think my head's in a different world  
Then brother you're right  
If you think my mind's on heaven above  
Oh brother you're right  
Eternity's for ever  
And you can't come back if you miss it, no never  
If you think reward's in a different world  
If you think my head's in a different world  
If you think I care about a different world  
Then brother you're right  
Oh brother you're right

## Little by Little

(Composed by Shane & Alice Keister)

*Chorus:*

Little by little, one step at a time  
He's changing our hearts and renewing our minds  
Teaching us how to be patient and kind  
Little by little, one step at a time

(Repeat chorus)

1.

Does your life seem hopeless?  
Do you feel that you can't see it through?  
Well the load doesn't get any lighter  
If you think that it's all up to you  
Why don't you lean on Jesus  
He knows you can't toe the line  
He only wants you to follow Him  
Just one little step at a time

*Chorus:*

Little by little, etc.

2.

Why do you think He suffered?  
And why do you think Jesus died?  
Oh, He knew we'd never be perfect  
No matter how hard we tried  
And we know that death could not hold Him  
Oh, we know He makes the blind to see  
Surely the Lord God is able to make us  
To be what we ought to be

*Chorus:*

Little by little, etc.

(Repeat chorus)

Little by little, (little by little)

Little by little, one step at a time

## **I Am Loved (Medley)**

(a) For God So Loved The World (A. B. Smith & Frances Townend)

(b) I Am Loved (W. J. & Gloria Gaither)

For God so loved the world He gave His only Son  
To die on Calvary's tree, from sin to set me free  
Some day He's coming back, what glory that will be  
Wonderful His love for me

*Chorus:*

I am loved, I am loved, I can risk loving you  
For the one who knows me best, He loves me most  
I am loved, you are loved, won't you please take my hand  
We are free to love each other, we are loved

1.

I said, 'If you knew, you wouldn't want me  
My scars are hidden by the face I wear'  
He said, 'My child, my scars go deeper  
It was my love for you that put them there'

*Chorus:*

I am loved, etc.

2.

Forgiven, I repeat, I'm forgiven  
So, clean before my Lord I freely stand  
Forgiven, I can dare forgive my brother  
Forgiven, I reach out to take your hand

*Chorus:*

I am loved, I am loved, I can risk loving you  
For the one who knows me best loves me most  
I am loved, you are loved, won't you please take my hand  
We are free to love each other, we are loved

For God so loved the world

We are loved

## He Is the Music

(Composed by John W Thompson)

There's a pattern in the universe, an order in space  
A certain rhyme and reason that keeps it all in place  
When I look around me, you know, it all makes sense  
That there really is an author, not just a coincidence  
No, it wasn't an accident, He planned it that way  
Like a song, a beautiful song  
He is the music, the reason I sing  
He is the music, the rhyme in everything

Now the love behind creation came all the way to me  
Oh but not until I reached out did my song become complete  
And your life can start to make sense if you let the music flow  
Just the way that it was written so very long ago  
No, it wasn't an accident, He planned it that way  
Like a song, a beautiful song  
He is the music, the reason I sing  
He is the music, the rhyme in everything

He is the music  
He is...He is the music, He is the music  
He is the music, the reason I sing  
And I tell you  
Jesus is the music, the rhyme in everything  
He is the music, the reason I sing  
Jesus is the music, the rhyme in everything  
(Jesus is the music)  
He is the music

## **ANCHORED IN THE ROCK (Medley)**

(a) Anchored In The Rock (Gary S. & Karen Paxton)

(b) Shelter In A Time Of Storm (Don Marsh)

(c) We Have An Anchor (Priscilla J Owens & W. J. Kirkpatrick / Arr. Don Marsh)

I'm anchored in the Rock of Ages

I'm anchored in the Rock of Ages

No matter how the storm of life thunders and rages

I'm anchored in the Rock of Ages

(Repeat)

The Lord's our rock, in Him we hide

A shelter in the time of storm

Secure whatever ill betide

A shelter in the time of storm

I'm anchored in the Rock of Ages

You know I'm anchored in the Rock of Ages

No matter how the storm of life thunders and rages

I'm anchored in the Rock of Ages

We have an anchor that keeps the soul

Steadfast and sure while the billows roll

Fastened to the Rock which can not move

Grounded firm and deep in the Saviour's love

I'm anchored in the Rock of Ages

I'm anchored in the Rock of Ages

No matter how the storm of life thunders and rages

I'm anchored in the Rock of Ages

I'm anchored in the Rock

I'm anchored in the Rock of Ages

# You've Got to Tell It Everywhere

(Composed by Nancy Grandquist)

1.

If you know His name, if you know Christ Jesus  
If your life's been changed by knowing His love  
If you have been born again and the Spirit's in control  
Then you can't keep it to yourself  
You've got to tell it everywhere that you go

*Chorus:*

You've got to tell it everywhere, everywhere  
You've got to tell it, you've got to share it  
All the wonderful things that God has done  
You've got to tell it everywhere, everywhere  
You've got to tell it, you've got to share it  
All the wonderful things that God has done

2.

Once my life was empty, like a paper shell  
I was lost and lonely like the boat with a broken sail  
Then I let the Saviour in and He made my life complete  
Now I can't keep it to myself  
I've got to tell every one that I meet

*Chorus:*

You've got to tell it everywhere, etc.

*Chorus:*

Everywhere, oh everywhere  
You've got to tell it, you've got to share it  
All the wonderful things that God has done  
You've got to tell it everywhere, everywhere  
You've got to tell it, you've got to share it  
All the wonderful things that God has done  
You've got to share it  
All the wonderful things that God has done  
You've got to tell it, you've got to share it  
You've got to tell it, tell it

## Ordinary People

(Composed by: Danniebelle Hall)

Just ordinary people  
God uses ordinary people  
He chooses people just like you and me  
Who are willing to do as He commands  
God uses people who will give Him all  
No matter how small your all may seem to you  
Because little becomes much  
As you place it in the Master's hand

Oh, just like that little lad  
Who gave Jesus all he had  
And the multitude was fed  
With the fish and loaves of bread  
What you have may not seem much  
But when you yield it to the touch  
Of the Master's loving hand  
Then you will understand  
How your life could never be the same

Just ordinary people, etc.

Little becomes much  
As you place it in the Master's hand
